**ANNUAL PROGRAM REPORT  
(APR)**

كلية التطامن والافتصاد المنزلي ببريدة

**Program Eligibility:** The program is to submit the two most recent APRs as part of the requirements for program eligibility using the NCAA Template.

**Post Accreditation:** The program is required to annually complete an APR. The APR is to document a complete academic year.

APR's are prepared by the program coordinator in consultation with faculty teaching in the program. The reports are submitted to the head of department or college, and used as the basis for any modifications or changes in the program. The APR information is used to provide a record of improvements in the program and is used in the Self Study Report for Programs (SSRP) and by external reviews for accreditation.

#### 4. Enrollment Management and Cohort Analysis (Table 1)

**Cohort Analysis** refers to tracking a specific group of students who begin a given year in a program and following them until they graduate (How many students actually start a program and stay in the program until completion).

A **cohort** here refers to the total number of students enrolled in the program at the beginning of each academic year, immediately after the preparatory year. No new students may be added or transfer into a given cohort. Any students that withdraw from a cohort may not return or be added again to the cohort.

**Cohort Analysis** (Illustration): **Table 1** provides complete tracking information for the most recent cohort to complete the program, beginning with their first year and tracking them until graduation (students that withdraw are subtracted and no new students are added). Update the years as needed.
